

# Conditions of participation for the Market for Applied Arts in the Lower Town Hall and on the Bremen Market Square

## 1. approval

An external, independent and professional jury will decide on participation.

Admission as an exhibitor is confirmed in writing after the judging and is only valid for the exhibitor named therein and for the work resulting from the application.

There is no legal entitlement to admission!

**Only self-designed and self-manufactured! Workshop manufactured exhibits and goods are offered! Externally manufactured merchandise is NOT permitted!**

## **2. Places; Place allocation;/; Change of place**

If the allocated space is not available for a reason for which the Organiser is responsible, the Exhibitor shall be entitled to a refund of the stand rent. A claim for damages does not exist.

The organiser reserves the right, if circumstances so require, to allocate a space in a different location or to change the allocated stand space, stating the reasons for this and deviating from the admission.

## **3. withdrawal from the rental contract**

After successful registration and admission, exhibitors must pay the full rent even if they cancel or do not participate. If the organizer succeeds in renting the place to another tenant, the first tenant to withdraw from the contract will receive his rent back.
